

LAC-IX

May 2011, in Cancun - México

Seven Internet exchanges in the Latin American and Caribbean area have agreed to form LAC-IX, an international association of IXPs that promotes networking in region.

October 2011, in Buenos Aires, signed the statute:

- NAP CABASE (Argentina)
- PTTMetro (Brazil)
- NAP Colombia (Colombia)
- NAP AEPROVI (Ecuador)
- AHTIC (Haiti)
- NAP Peru (Peru)

Organization invited to give support and information:

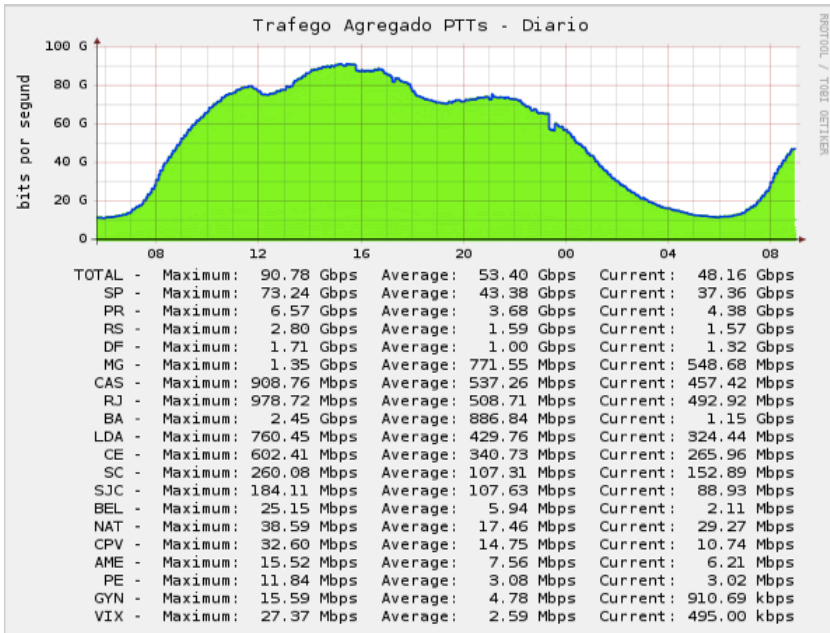

- Internet Society
- PCH
- LACNIC
- EURO-IX

Main objectives:

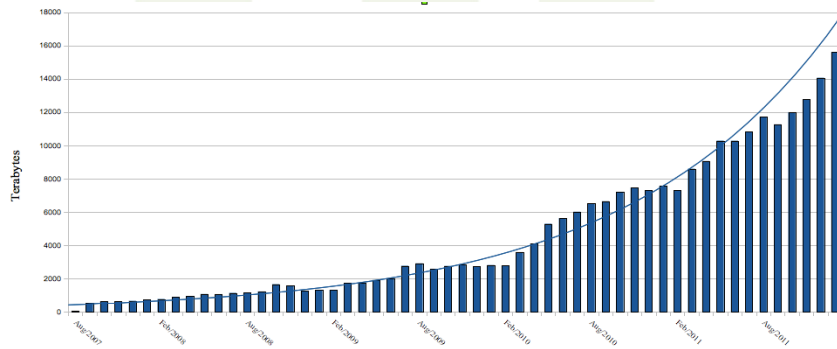

- To increase the Internet Traffic in the region
- To represent the member IXPs worldwide
- To support governments on policies, statistics and advise related with Internet Exchange Traffic
- To simplify the cooperation between the IXPs
- To promote and support the establishment of new IXPs
