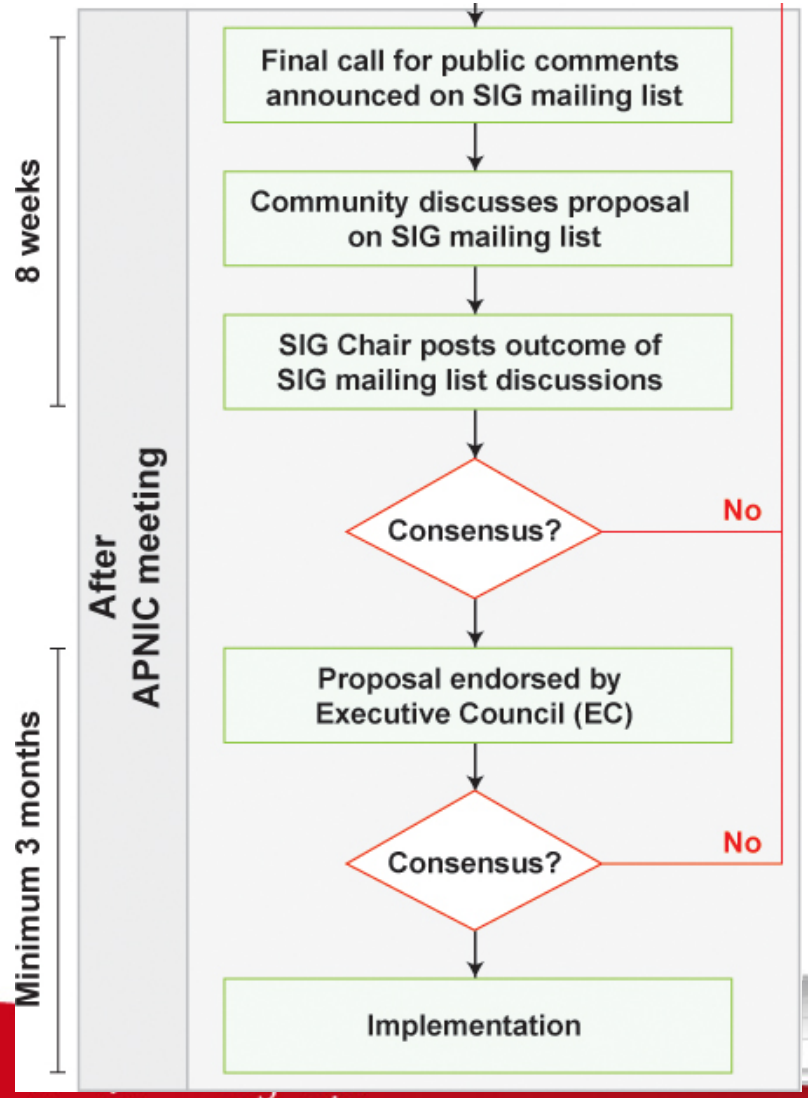
We are here

Policy Development Process



Policy Development is a Cycle

Chairs during face to face SIG meeting

1. To Give neutral overview of all proposals.
2. To Give contextual presentation before groups of related presentations.
3. To Control the time and order of speakers from the floor.
4. To make sure the intention of each intervention (support, objections, conditional support or objection).

Policy Development Process

- Remember:
- All proposals have been submitted with good intentions
- Opinions may differ...
- …But we all want the same thing…
- …A strong and healthy Internet
- So please respect all opinions
